## RECITAL HANDBOOK

Our annual recital is coming soon! Recital will be on Saturday, June 18<sup>th</sup> at 11 AM at Memorial Auditorium. A lot of hard work goes into recital by the teachers, students and parents. It is a commitment and you are responsible for making sure you and your student are ready to make it the smoothest recital experience possible. Please read this handbook THREE times and then read it again! If you have any additional questions, please ask your teacher, the front desk staff or email [amy@dance502.com](mailto:amy@dance502.com). Recital information will also be posted on Facebook. If you have not "liked" our page yet, please do so at [www.facebook.com/louisvilledance502](http://www.facebook.com/louisvilledance502) to stay up to date with the latest studio news.

### VENUE- MEMORIAL AUDITORIUM

Memorial Auditorium is located at 970 South Fourth Street, Louisville, KY 40203. Memorial Auditorium is an historic building and does not have central A/C. We will have free plastic fans available for audience members and we recommend wearing cool, light clothing. There are box fans in the hallways and you can step outside when needed (but please do not get out of your seat in the middle of a dance.) There are two air-conditioned rooms available in Memorial for audience members. One room is to the left of the lobby, one is in the left hallway which is the holding area for students to be taken backstage.

\*Please see the attached Memorial Auditorium Guidelines that are listed after this packet.\*

### COSTUME CARE

Write your child's name on the inside of all costumes, shoes, tights and accessories. Please use the provided garment bag(s) for traveling with your costumes. Place accessories in a clear plastic storage bag with your child's name on it. Hats should be stored in a hat box or a similar storage container to prevent damage. Steam any costumes that are excessively wrinkled. Please do not wash costumes in a washer; dry clean only (after recital.) No underwear is to be worn under your child's costume unless they are seamless dance briefs. Enclosed is a list from your teacher detailing all costume needs for recital.

### HAIR AND MAKE-UP

All female students are required to wear make-up for dress rehearsal and recital day: red lipstick, blush, eye shadow and mascara. For males, a little blush works well. Stage make-up is imperative as students faces will wash out in the stage lights and their features will disappear. If the make-up looks too heavy up close, you could probably use a little bit more.

For required hairstyles for female students, please see the accessory list enclosed in the packet. For hair that is pulled back, make sure that hair is slicked down and tightly secured with clips and bobby pins. Buns need to be secured with hair nets. Dancers with short hair must pull their hair away from their face and slick it down.

No earrings or other jewelry are to be worn unless specified by the teacher.

No fingernail polish is allowed.

## **PRE-PLANNING**

Gather all costumes, accessories, shoes and make-up several days in advance so that you know if something is missing or isn't right. Use the accessory list as a checklist to make sure that you aren't missing any necessary items when it's time to go to the theater. Bring extra hair gel, hair nets, bobby pins and hairspray. Other handy extras include:

- Baby wipes/Shout wipes: to fix make-up mistakes or wash hands
- Safety pins and small sewing kit: for emergency costume repairs
- Clear nail polish: to repair minor runs in tights
- Pain relievers: for any aches and pains
- Clear band-aids: for minor scrapes/cuts

## **DRESS REHEARSAL**

The rehearsal allows the student to become familiar with the auditorium surroundings and feel comfortable with their performance, costumes and being onstage. Lighting, music cues and all the other logistics for an organized and professional performance are rehearsed so the students make the best impression possible. **Participation in the dress rehearsal is mandatory!** We run an organized and timely dress rehearsal. Your help with the process will guarantee a professional production.

**\*\*Please note that for dress rehearsal only, we will run the grand finale at intermission.** We have also adjusted the show order for dress rehearsal to get all of our younger classes around grand finale so we can get them in and out as quickly as possible. The schedule for dress rehearsal is in this packet. Please make note of where your child's dances are for dress rehearsal.

## **DRESSING ROOM ETIQUETTE**

Dressing rooms are available backstage, both upstairs and downstairs. Please do not use the dressing rooms on stage level that have been assigned names. These dressing rooms are designated for students in multiple routines with quick changes. Limit the number of people in the dressing rooms; space is limited and students are storing many of their belongings in these rooms. We must respect their space and belongings. Students will spend more time in dressing rooms than on stage or in the auditorium, so do your best to keep them organized and clean.

There is a lot of backstage activity in a limited space, and dressing rooms are a private area. Please remind your family and guests to be respectful of these areas. Those who wish to greet a performer after the show or present flowers should do so in the lobby area.

## **REHEARSAL DAY ARRIVAL**

### **FIRST HALF ROUTINES**

If your child's routine is #1-7 in the recital, they will need to be dressed and ready to perform by 4:15 pm. Please bring students to the drop off area (located in the left side hallway) three numbers prior to their routine. **[All production students in Mamma Mia, Turn It Up, Rich Man's Frug and Hard Knock Life need to arrive to the auditorium by 3 PM.]**

All students in the first half must stay for the finale practice if they will be participating in finale at recital. The grand finale will be run at intermission on rehearsal day.

## **SECOND HALF ROUTINES**

If your child's routine is in the second half, they must be at Memorial Auditorium dressed and ready to perform by 5:45 pm. Please be aware of downtown traffic and plan your travel accordingly. The finale will be run at the beginning of the second half. After the finale, your child must be ready for their routine at least six numbers prior to dancing. Please bring students to the drop off area (located in the left side hallway) three numbers prior to their routine. Once your child has performed all of their routines, they are free to leave.

## **FINALE**

We wish for all students to participate in the grand finale, which will be rehearsed during classes the few weeks prior to recital. A run through of the finale will be between the first and second half routines on rehearsal day. All students will remain in their last performance costumes for the finale. Announcements will be made to bring your child to the drop-off area approximately five numbers before the closing. Afterwards, parents may come onstage to retrieve their child and take candid photos on stage with friends and teachers.

## **VIDEO AND PHOTOGRAPHY**

Parents or guests may videotape or shoot photographs of their child at dress rehearsal. Due to the large number of cameras, no electrical outlets will be available, so make sure your battery is fully charged. **PLEASE NOTE: NO VIDEO OR FLASH PHOTOGRAPHY WILL BE ALLOWED IN THE AUDITORIUM ON RECITAL DAY.** Houselights are down on recital day, and flashes can be detrimental to the dancers on stage. Please keep your child's and other children's safety in mind and adhere to these rules. Flash drives of the entire performance will be available for purchase. Flash drives will be \$35 and will be delivered to the studio for pick-up within 3 weeks of recital.

**There will not be a livestream this year.** Since theaters are back to full capacity, On the Spot is no longer offering this service.

## **DRESS REHEARSAL DISMISSAL**

Students will be dismissed from rehearsal once they have completed all of their routines. Please make sure all items are packed and costumes are organized. Check that you have all of your belongings and your area is clean.

## **RECITAL DAY**

Recital will be at 11:00 am at Memorial Auditorium. Doors will open at 10:00 am. Admission is free to the public, so please invite your family and friends! Memorial Auditorium seats around 1400 people so we have plenty of space in the theater.

Any students in routines #1-8 must be dressed and ready by 10:30 am. [Production students will be given an arrival time at the end of dress rehearsal.]

If your student is not in the first half, you do not need to arrive at the beginning of the show, but please be aware of the estimated times that are in the attached show order. We cannot hold a routine if a student is not on time, and we cannot run the dance again if a student misses their routine. It is your responsibility to have your student at the theater on time.

# DANCE 502

---

Students must be taken to the drop-off area (located in the left side hallway) three numbers prior to their routine. Students will be picked up at this same location following their routine. **Remember, no videotaping or flash photography is allowed on recital day!**

## **AUDIENCE ETIQUETTE**

No eating or drinking is permitted in the auditorium.

Please watch your volume in the hallways and lobby during the performance. Our boundary mics onstage have been known to pick up conversations in the hallway and are thus transmitted to the performance recording.

On the flip side, when you are watching routines, we want to hear your support! We love clapping and cheers for our performers. They feed off the audience energy so please show them your love and support during and after their dances.

Once students are in their costumes, they must wear cover-ups in the audience, and please, no tap shoes in the audience. Large button-up shirts work well for costume cover-ups.

**Please be respectful of other students and their families by not getting up during routines. Please use the time in between routines to move from your seat in the auditorium.**

Thank you in advance for your time and support in making this recital a success. Your children have been working hard, so please make sure they are practicing and are well-rested to ensure their optimal performance.

We are so excited for you to see the show!

# Memorial Auditorium Guidelines

## General Auditorium Rules

Everyone must enter through the front entrance. This includes dancers, teachers, parents, and general audience members. Memorial Auditorium will be conducting bag checks at the front door for every person entering.

The following is prohibited:

- Firearms
- Alcohol, illegal drugs or substances
- Outside food and drink- water bottles with lids are allowed but must contain water only. Please do not bring coffee, soda or juice. Any sticky spills in the auditorium will roll down to other people's feet and belongings and create a sticky floor that is very difficult to mop and can result in additional cleaning fees.
- Only one water bottle per person is allowed. Do not bring in a case of water.

\*If prohibited items are in your possession upon entry, they will ask you to take those items back to your car. Failure to comply will result in you being removed from the premises.

Dancers can bring snacks to keep in the dressing rooms but all snacks must be in a clear gallon-sized Ziploc bag so that it can be easily identified in the bag checks.

Memorial does have vending machines, and snacks and drinks can be consumed on the front steps of Memorial.

Please be respectful of this historic building. Do not climb or stand on the chairs or pick at the fabric. Any broken chairs or damage done while we are there will be billed to Amy personally, so please be respectful of all parties involved.

## Dressing Rooms

All dressing rooms will be to the right of the auditorium, except for one boys dressing room upstairs and across the stage. Backstage helpers can point you in the right direction.

Floor level dressing rooms will be reserved for dancers in multiple routines. Those students' names will be on the doors. If you see a reserved dressing room, do not enter it! For our older students in the reserved rooms: Parents are welcome to help load in the dressing rooms, but please do not hang out in the dressing room. The other dancers will need their privacy while changing and your child

can handle their changes. If help is needed with hair changes or a specific quick costume change, that is fine, but do not hang out in the room when you are done. Instead, please enjoy the show in your seat in the auditorium!

The downstairs (basement) changing area is open to all students. Upstairs dressing rooms will also be available. Please be respectful of other students in the dressing rooms/areas.

Please knock before entering any dressing room.

#### Student Drop Off and Pick Up

The drop off for students will be to the left of the auditorium. There is an air-conditioned room in the left hallway that will be used as a holding area while your child waits to be brought backstage. It is across from the bathrooms.

This holding area is for dancers only. Parents can wait in the room with their student until a staff member picks up the students to take them backstage. You can return to your seat to watch your child dance before picking them up from the holding area after their performance. Please drop your student off at least 3 numbers before their dance.

This drop off area will be used for grand finale drop off as well.

#### Noise in the hallways

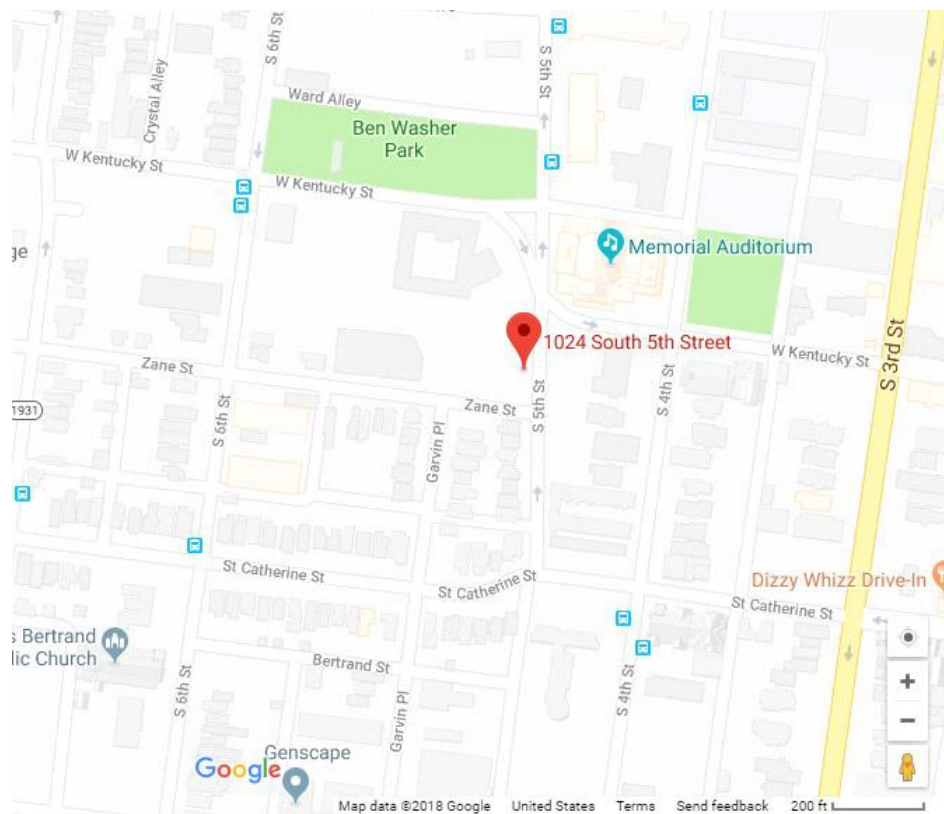

Please watch your volume while you are in the auditorium hallway. Boundary mics onstage can pick up sounds all around the auditorium and conversations can inadvertently end up in the recital recording.

Please note: We will NOT have flowers for sale in the lobby this year, so if you want to have flowers on hand for your dancer, you will need to purchase them elsewhere. **Do not bring any balloons into Memorial!**

## Parking

The parking lot for Louisville Memorial Auditorium guests is located at 1024 South Fifth Street. The lot is physically located at the corner of Fifth and Kentucky Streets (adjacent to the Family & Children's Place at 1000 South Fifth Street, Louisville KY 40203). Entrance to the lot is from the alley. Additionally, street parking is available. Please do not park in the Family & Children's Place parking lot, unless after hours or on weekends when their business is not open.

## Dress Rehearsal and Recital Lineups

Please note the routine changes on dress rehearsal and be aware of where the dances are in the actual recital. These are two different lineups so we can run finale at intermission, and our younger classes can be done earlier in the evening.

I have done my best at estimating the times that each dance will perform for both dress rehearsal and recital. These times are estimations only and are to be used to help you with planning your arrival time.

Please note that each page is 1 half of the dress rehearsal/recital.

## Picture Day Information

Please arrive 15 minutes before your photo. If we are running ahead of schedule, we will take the group photo early.

We will take the class group photo first with **no parents in the room**. If your child is taking an individual photo, we will bring parents in one by one for the individual photo.

Please come prepared if your child is taking an individual photo. Anyone getting an individual photo taken must pay a \$5 session fee. The \$5 session fee is paid once, regardless of how many costumes they are taking photos in.

If you are only ordering a group photo (and no individual photos,) you must pay in full on picture day. Group photos are \$12.

Kathy Chandler Photography handles all recital photos and ordering. You can pay by cash, check or credit card. All checks must be made out to Kathy Chandler Photography.

Since we had to switch weekends, if you cannot make your pictures on the 12<sup>th</sup>, you can come on June 4<sup>th</sup> between 4-6 PM to get your individual photo taken. I believe we only had a couple of students that weren't able to make the 12<sup>th</sup>, so if that stays the case, we will be able to photoshop those students into their group photos that are being taken on the 12<sup>th</sup>.

Please make sure Ms. Amy is aware before the 4<sup>th</sup> if you will be coming on that day for photos. She will need to know to prepare for the pose for the group photo to have them photoshopped correctly.

# News for Summer 2022!

## State Fair 2022

We will be back on the State Fair stage this year! We usually do one performance and each performer will receive a ticket that covers parking as well. Dancers will perform at least one of their recital routines using the same costume and dance. Depending on our time slot, most dancers will get to perform 2-3 of their routines if they were in multiple dances. Dancers must take class through the summer to perform at State Fair.

## Competition Team 2022-2023

By popular demand, we will be starting a competition team this year for ages 5 and up. Auditions will be held over the summer. Be on the lookout for the announcement for dates and times for auditions.

## Nutcracker 2022

We will be performing The Nutcracker this winter! Auditions will also take place over the summer. Auditions are open to all dancers in the community and performances will be in mid-December. Information on audition dates will be sent out soon!

## Traveling over the summer?

Do you have travel plans over the summer but would like to continue attending as many classes as possible? Talk to Ms. Amy about accommodations for missed summer classes and tuition payments. Summer classes are heavily focused on technique and lots of growth can be made during the summer months!
